* North Carolina districts are evaluated by the ABCs of Education standards: **School of Excellence**: At least 90% of students at grade level **School of Distinction**: 80% to 90% of students at grade level **School of Progress**: 60% to 80% of students at grade level **No Recognition**: 60% to 100% of students at grade level, but didn't meet expected growth **Priority School**: Less than 60% of students at grade level ** Adequate Yearly Progress is determined by the goals set for each school by the No Child Left Behind Act. Schools must meet all target goals to achieve AYP.
